SPACE, OBJECT AND ACTION WORKSHOP

With a point of departure in a model for object work developed by stage designer Katrine Nilsen, the workshop introduces basic methods to develop installations and performances with physical and virtual objects, bodies and space.

The workshop presents three elements over three days:

1) Responce: - work with physical objects

by Katrine Nilsen

2) PAToolbox: - Performance Animation - tools and methods to work with virtual objects, bodies and spaces

by Jørgen Callesen

3) Performance theory - the dramaturgy of the image

by Jette Lund

Arbeidsform:

9 - 12 introduction to the theme of the day

lunch break 12 - 13

work from 13 - 15

15 - 16 a short lecture "summary and comments of the day"

open lecture Thursday evening concerning PRAMs work and theory
